PROFILE

Hi, I'm Muhammad Reza Faturrahman, a Computer Science Student. Currently, I'm pursuing my degree at BINUS University, specializing in Digital Creative Technology. I have a strong interest in Mobile Development and Quality Assurance, continually refining my skills to remain at the forefront of these fields.

EXPERIENCE

Sep 2023 — Present	**Laboratory Teaching Assistant, BINUS University**	Malang

Part-time Laboratory Teaching Assistant is a program under Digital Technopreneur Laboratory. My responsibilities include assisting and teaching students during laboratory classes. Specifically, I am responsible for teaching the Database Technology course in the Odd Semester of 2023.

Sep 2022 — Sep 2023	**Freshmen Partner FYP Binusian 2026, BINUS University**	Malang

Become a partner for freshmen (Binusian 2026) during their first year of study (Semester 1 and 2) to help freshmen face the transition period of becoming a student and develop their potential in university life by holding meetings every week.

EDUCATION

Sep 2021 — Present	**Bachelor's degree, Computer Science, BINUS University**	Malang
Jul 2018 — May 2021	**Mathematics and Natural Sciences, SMA Negeri 1 Samarinda**	Samarinda
